NB: You may like to start your tour in **DUBROVNIK** before you meet up with the tour group in SPLIT. Kate can suggest suitable hotels for you and best ways to visit Dubrovnik. We have chosen to not include Dubrovnik in our tour for several reasons.

In Summer due to the immense popularity of Game of Thrones, it is heavily overrun with tourist and cruise-ship visitors each day, is very expensive to stay there and a sketching tour would have been very difficult because of crowds.
